Re: Extension Request for responding to information request
Section 114 Letter Reference No. CAA-02-2016-1456

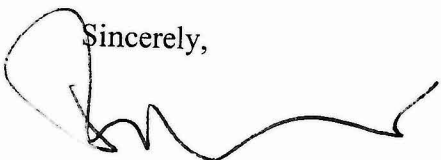

Dear Mr. Raiders:

The United States Environmental Protection Agency (EPA) Region 2, under the authority of Section 114 of the Clean Air Act, issued an information request letter (IRL) to Buckeye Terminals, LLC (Buckeye), referenced above, on March 8, 2016. The IRL requires Buckeye to submit information within 30 calendar days from the date of the IRL. On March 30, 2016, EPA received a letter from you requesting an extension through May 10, 2016 for questions 7 and 9 of the IRL. Buckeye requested an extension due to the scope of the information requested.

EPA reviewed your request for an extension and determined that additional time is appropriate. The information requested in questions 7 and 9 of the IRL is now due on May 10, 2016.

Address any questions concerning this matter to Ralph Lonergan, of my staff, at lonergan.ralph@epa.gov.

Sincerely,

Robert Buettner, Chief
Air Compliance Branch
